#### Message from the Chair

Hi to all fellow Democrats in Baltimore County,

On behalf of the Baltimore County Democratic State Central Committee (CC), I wish you and your family good health. While we have had to stop our in-person meetings because of the COVID-19 pandemic, our committee continues to meet virtually. We are focused on doing what we can for our constituents and the upcoming elections.

As many of you already know, the presidential primary election has been rescheduled and is now taking place on June 2, 2020, primarily via mail-in ballots. Please keep your eyes out for your ballot, which will be mailed automatically to you and send it in as soon as you can. No postage is required. Remember, every vote counts - every vote matters.

We currently have members who have been active during this “lock-down” time period supporting the work of the party and also the needs of the community. Members have been active in the following ways:

- Filling vacancies on the Central Committee
- Organizing food drives for our immigrant community with [Amigos of Baltimore County](#)
- Collecting food and other necessary items for the [Student Support Network](#)
- Sewing masks for medical centers and food drive volunteers
- Writing letters for [Swing Left](#)
- Writing voter postcards for [Tony the Democrat](#)
- Phone banking for [Allies for PA 2020](#)
- Organizing with [Baltimore County for Joe Biden](#)
- Participating in [Maryland Women for Biden](#) and [Black Women for Joe Biden](#)

If you find you have some free time right now and would like to get involved in any of the activities listed above to help with this crucial election, please contact us at [info@baltimorecountydems.com](mailto:info@baltimorecountydems.com)

Cheers,  
Tara Eisenhauer Ebersole  
Chair, Baltimore County Democratic Party

## **Legislative Snapshot**

### **MARYLAND LEGISLATIVE UPDATES**

Gov. Hogan vetoed 37 bills passed by the Maryland General Assembly, including the Blueprint for Maryland's Future. Delegates and Senators can attempt to override the vetoes during the next legislative session. Here is a snapshot of the bills Hogan vetoed.

#### **Education**

Hogan vetoed the Blueprint for Maryland's Future, also known as the Kirwan Commission reform bill, which would have set aside about \$1.1 billion in new funding to strengthen Maryland schools over the next three years. If enacted into law the bill would have funded the expansion of pre-K, increased teacher wages, and enhanced career and college preparation at schools in areas with higher concentrations of poverty. The veto also nullifies the nearly \$2.2 billion in funding for school construction from the Built to Learn Act until the Kirwan bill becomes law.

Likewise, Hogan vetoed the Historically Black College and Universities (HBCUs) bill. The bill would have funded the \$580 million settlement against Maryland for allowing predominately white institutions to duplicate academic programs at Bowie State University, Coppin State University, Morgan State University, and University of Maryland Eastern Shore, resulting in disparate treatment.

#### **Public Safety**

Similarly, he vetoed the long-gun bill, which would have closed a loophole in the law allowing criminals to purchase rifles and shotguns through private sales and transfers by requiring individuals to obtain a federal background check.

#### **Transportation**

Hogan vetoed the MARC Train Expansion of Service Act that would expand the public transit line northbound to Delaware and southbound to Virginia aiming to provide access to more jobs, reduce congestion on major interstates, and help residents reduce their carbon footprint.

#### **Healthcare**

Finally, he vetoed a bill that would have created a funding source for the Prescription Drug Affordability Board. The board was established in 2019 to help legislators find ways to reduce the cost of prescription drugs.
