## Baltimore County Democratic Party Elects New Chair

**TOWSON, MD** — The Baltimore County Democratic State Central Committee (BCDSCC) has elected 2<sup>nd</sup> Vice-Chair Dr. Charlotte Wood, PhD, MBA, MSN, RN, a college professor, as the new Chair during their April meeting. Representing District 44A, Dr. Wood brings a wealth of leadership experience from her role as a Professor at the School of Nursing at Coppin State University and her previous position as President of the Maryland Nurses Association. Members of the BCDSCC highlighted her expertise in partnership building, advocacy, and listening skills as key factors influencing their decision to vote for her. Dr. Wood will serve as Chair until later this year when officer elections will be held.

“I look forward to serving in the role,” says Wood. “I’m honored to be selected to lead this organization at such a critical time for Maryland as we fight for Democratic victories up and down the ballot.” Her agenda includes strengthening the party, enhancing fundraising efforts, and forging stronger partnerships with local Democratic clubs. Dr. Wood has already begun engaging with state legislators, participating in events to increase visibility for the organization, and collaborating with Committee leaders to discuss future strategies.

*The State Central Committee is the local leadership of the Democratic Party. As the grass roots backbone of the Maryland Democratic party, the Central Committee is comprised of elected individuals with diverse skills, including organizing, community engagement, and fundraising.
